Note: This pattern requires a lot of color changes. Be sure to check the end of each Rnd before continuing through the round to know when to change colors. Be sure to carry colors required for each round along with you before you need to do a color change. For more detailed instructions on how to do this visit: <http://www.youtube.com/watch?v=3mkXP-1XT-U>

For color changes with color/color (ex: 1 **sand/red**), pull through the first with the first color (**sand**), and next with the second color (**red**). [See diagram below]

Rnd 7: sc in first 3 sts, dec in next, repeat x 3 (12)

Rnd 8: dec in each st around. (6)

Sew on the Feet here.

Finish off by stuffing your piece and sewing together the bottom.

Main

Crank

In color B (yellow) Ch 5

Rnd 1: skip first two chs, hdc in 3rd ch from hook, sc in next ch, ch 1, hdc 1 and sl.st in the last ch (4)

Cut and pull through leaving a somewhat long end again for sewing onto the backside of the bob-omb.

Top

In color A (grey) Ch 2

Rnd 1: sc 3 in 2nd ch from the hook, sl.st in the first sc made. Don't turn. (3)

Cut and pull through leaving a long end to sew onto the top of the bomb.

Feet

In color B (yellow) Ch 3

Rnd 1: sc 1 in second ch from the hook, sl.st 2 in the next ch. Flip over. (3)

Rnd 2: sc one in the same st you made the sl.st's in, sl.st in next ch over (2)

I know this part seems confusing, but basically you're just making a tiny oval by working sc's and sl.st's on one side of a ch, then turning the piece upside-down and working into the back side of the same ch's. Cut leaving a somewhat long end for sewing onto the piece.
